[Discover the Napa Valley Wine Train](#)

Just in time for summer, [Discover & Go](#) has an exciting new offer: \$15 off the Napa Valley Wine Train [Adult Silverado Lunch Package](#).

The Wine Train runs May through October and guests who purchase the lunch package are treated to a multi-course meal.

The Silverado Car was refurbished and put on line in 1998. Decorated in a rustic style reminiscent of a Hollywood Western, this rail car has quickly become a favorite with its casual atmosphere and sliding windows to capitalize on the wonderful moderate climate of the Napa Valley.

Visit the [Discover & Go](#) page for more details and to reserve your dates early!

Find your favorite classics (in several eBook formats) and download them for free!

[More than 200 titles are now available.](#)

[Thriving with Treehouse](#)

Let [Treehouse](#) help you achieve your lifelong learning goals!

Treehouse offers more than 1,000 free video courses including computer programming, coding and web design.

The [Treehouse courses](#) teach you the skills necessary to build your own websites and apps!

By watching the Treehouse videos, building projects and getting quizzed, you'll open up entirely new possibilities in your life.

With these skills, you can dream big and accomplish whatever you set out to build.

- Thursday, June 19, Gilroy Library from 5-7 p.m.

Adventures with Edible Flowers

by Hylary Locsin

We all know that summer's blossoms are some of the prettiest, but did you know that they can also be some of the tastiest? Edible flowers can be delicious and many have the same health benefits as fruits and vegetables. Flowers are full of vitamins and antioxidants, and many cultures use them for their healing properties as well!

Learn about tiny gardening and how to create terrariums and little fairy gardens.

Find books on terrariums [here](#).

Paper Bouquets and Decorations

by Kelly Tatarakis

This summer, brighten up your house with paper blooms and decorations!

Sandra Evertson's [Fanciful Paper Flowers: Creative Techniques for Crafting an Enchanted Garden](#) holds dozens of flower-themed projects with an antique flair.

Try your hand at glittery ornaments, flower crowns, whimsical pins, and paper bouquets.

If you prefer papercrafting more modern bouquets, [Paper Blooms: 25 Extraordinary Flowers to Make for Weddings, Celebrations & More](#) by Jeffery Rudell holds designs from nature-inspired to fancifully abstract.

Craft everything from cattails to sunflowers and daisies to daffodils. Every project comes with step-by-step pictures and a

Try something new in your kitchen this summer with one of SCCLD's fun (and beautiful!) cookbooks dedicated to flowers you can eat.

Try Miche Bacher's [Cooking with Flowers](#) for a variety of sweet and savory recipes or Kathleen Brown's [The Edible Flower Garden](#) to learn how to grow your own blooms!

Stay cool with these awesome [Beach Reads](#)

photo of the finished flower.

Enjoy these papercraft projects and make your own indoor garden!

Save some green with a DIY Toolkit
